Groome Church recently presented the **Overfalls Foundation** with a check for \$2,000, proceeds from its December benefit concert featuring the Washington Master Chorale Chamber Singers.

“Groome is pleased to support the Overfalls’ dedication and hard work in keeping alive and telling the story of this very important part of Lewes’ Delaware Bay history, a history that both the foundation and Groome have a long association with and continue to celebrate,” said the **Rev. Dr. S. Willard Crossan**.

Groome’s contribution to the Overfalls will be used to help implement a new Storywalk to teach children about lightships; it will also be used for repairs and improvements to the ships’ watertight doors.

“Overfalls is grateful for this generous support from Groome,” said **Mike Safina**, foundation president. “We look forward to launching the Storywalk this spring and are excited about our renewed relationship with Groome Church, one that dates back to the early 1900s when lightships first served the Overfalls Station, and their crews helped establish and grow the church.”
